

## Funeral Assistance for Your Families

The Federal Emergency Management Agency (FEMA) provides reimbursement of funeral expenses up to \$9,000 for families who lost a loved one from COVID-19. Funeral expenses must have occurred after January 20, 2020 and before September 2025, and the death must be related to the coronavirus. Eligible funeral expenses include cremation services, urns, urn vaults, cremation niches, and a variety of memorialization options. If we can help you with any product or service need, or additional information or assistance, please contact us.
