

Granite Choices for Memorialization

Your trusted Wilbert Licensee now offers memorialization and cemetery enrichment products through Wilbert Memorials. Manufactured of the highest quality granite, these products add beauty to any grounds. Custom products, cemetery gardens and other features are also offered.

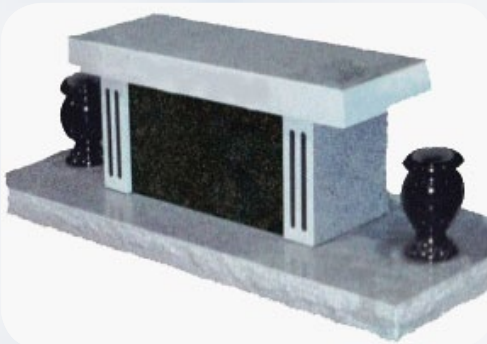

Columbarium

Various colors, interior or exterior, mounted against an existing wall or freestanding, single or double-sided, straight or curved, personal or community columbarium... many choices supported by an experienced design staff.

Benches, Pedestals, Statuary

Personal memorialization choices can be integrated into a cremation garden, positioned throughout the grounds, or installed in a family plot.

Ossuary

A permanent, dignified memorial for families seeking a more economical disposition option. Cremated remains are co-mingled yet a nearby tablet or other form records the deceased's name for memorialization.
